

Quick Help Guide and Instructions

Thumbs
View small thumbnails of each page to navigate quickly through the magazine.

Contents
View a drop-down list to navigate to the article of your choice.

Advertisers
View advertisers of the current issue.

Zoom
Double-click on a page to zoom in or click on the icon on the toolbar. Use the slider on the right to set your zoom preference.

Page View
When viewing in spread mode, click the icon to view in single page mode. Click again to return to spread mode.

Full Screen
Click to view in fullscreen mode (search does not function in fullscreen mode).

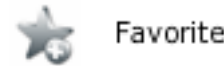

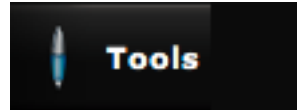

Search
Search for an article or term using keywords. The results will be highlighted on the corresponding pages.

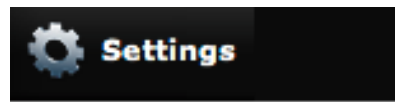

Page Navigation

Click in the scrollbar to jump to a certain page or use the arrows to turn pages. The far right arrow jumps to the last page, and the far left arrow jumps to the first page.

Tools

Use the Tools menu to print, download a PDF, add a note or mark a page as favorite.

Enable

Settings

Roll over Settings to set your viewing preferences.

Toolbar

Use the top slider to set your zoom preference. Use the icon buttons to add notes, print, download a PDF, show links, add a favorite and more.
